

WFOR-TV QUARTERLY ISSUES/PROGRAMS LIST
APRIL 1, 2009 THROUGH JUNE 30, 2009

Attached are listings of broadcasts or broadcast segments that, in the Station's judgment, reflect the Station's most significant programming treatment of ascertained issues during the preceding three-month period. During the preceding quarter, the Station also broadcast CBS Network programs such as 60 MINUTES SUNDAY, FACE THE NATION, and 48 HOURS. Additionally, the Station broadcast a quarterly episode of the syndicated show "YOUR GREEN LIFE" focusing on environmental issues. In addition, the Station produced and broadcast a "Community Calendar" and public service announcements promoting local community events and campaigns. Also, the Station produced and broadcast a series of NEIGHBORS 4 NEIGHBORS segments encouraging viewers who need help and those who want to help to call a telephone hot line staffed twelve hours daily. Each 30-second segment is placed in a random rotation ranging from one week to several months, depending on the topic, need and response. All of these programs are part of the Station's plan to address issues of concern to viewers.

NEWS & VIEWS WITH ELIOTT RODRIGUEZ – A half-hour weekly public affairs program that provides a review of the week's top local news developments and features interviews with local newsmakers. Broadcast dates and times as indicated in the report.

CBS4 NEWS FEATURE REPORTS – Specials and series reports focusing on important local issues. These reports air during selected CBS4 News broadcasts. Duration: Each part is approximately three minutes. Broadcast dates and times as indicated in the report.

CBS4 HURRICANE 2009 – This half-hour special provided important information to help South Florida residents prepare for the 2009 hurricane season. Broadcast dates and times as indicated in the report.

PUBLIC SAFETY/CRIME: Topics in this category include: airport security; Casey Anthony murder case; Miami's drug court; serial cat killings; Liberty City shooting; dangers of portable game consoles; debt scams; dangers of sending sexually explicit images over text or e-mail messages; special police training; elderly abuse by sexual offenders; questionable hiring practices for public school construction projects; accessing information on daycare centers safety records; counterfeit currency from Peru; security breaches at Florida airports; and hurricane season preparedness.

NEWS & VIEWS WITH ELIOTT RODRIGUEZ: 5/2, 9:30 AM. CBS4 News investigative reporter Stephen Stock discussed his report on airport security and how since the new homeland security rules allowing luggage searches have been in place more passengers are reporting losses of personal property stored in checked baggage. 5/9, 9:30 AM. Judge Alex Ferrer, host of Judge Alex syndicated television show, discussed the criminal case of Casey Anthony of Orlando who has been accused of murdering her 2-year old daughter. In another segment, Judge Jeff Rosinek, Miami's first Drug Court judge, discussed the success of the Drug Court in helping drug offenders become an asset to their community. 6/20, 10 AM. Mayor of Palmetto Bay, Eugene Flinn, discussed the serial cat killings case and how it's affected the residents of Palmetto Bay. **CBS4 FEATURE REPORTS: LIBERTY CITY MASS SHOOTING:** 4/23, 6 PM. This report focused on the mass shooting on January 23, 2009 in Miami's Liberty City neighborhood and its connection to the previous shooting of rising hip hop artist from the area. **CBS4 FEATURE REPORTS: NINTENDO AND SEX OFFENDERS:** 4/23, 11 PM. This investigative report revealed that some children predators could take advantage of the chat feature on the portable Nintendo DS to lure children that are playing video games with the device. **CBS4 FEATURE REPORTS: DEBT SCAMS,** 4/27, 5 PM. This report warned against unscrupulous so-called debt services companies that are taking advantage of consumers with rising debts. **CBS4 FEATURE REPORTS: I-TEAM INVESTIGATION ON SEXTING:** 4/27, 11 PM. This investigative report revealed the risks of sending sexually explicit images over text messages or e-mail and how this can bring about criminal charges against senders or people who post them on the Internet including teens who are just sharing these photos with friends. The report showed that some teens have been prosecuted under child pornography laws and forced to register as sexual offenders. **CBS4 FEATURE REPORTS: SWAT TRAINING:** 4/30, 11 PM & 5/1, 11 PM. 5/13, 11 PM. This three-part report demonstrated how the Miami Police Department's elite swat school trains for highly dangerous and difficult criminal cases. **CBS4 FEATURE REPORTS: ELDERLY ABUSE:** 5/13, 11 PM. 5/14, 11 PM, 5/21, 11 PM. This three-part investigative report revealed reports of sex offenders being sent to live in nursing homes or assisted living centers and -- how in some cases -- these individuals are assaulting elderly residents. The last report showed that as a result of this investigation, the Florida Department of Children and Families was investigating the case of an elderly woman in Jacksonville who was raped by a nursing home resident with a sex offender record. Additionally, on 5/15 5-6:30 PM, the Station held a phone bank with experts on elderly abuse and encouraged viewers to call with questions. **CBS4 FEATURE REPORTS: I-TEAM INVESTIGATION - SCHOOL CONSTRUCTION:** 5/19 11 PM. This investigative report showed that the Miami-Dade Public School District County has a policy that require contractors hired for school construction to provide proof that their workers have legal documents for working in the US, but those in charge of district school construction could not provide the worker's documentation for current projects. The report also investigated one of the construction companies and the possibilities that the company recruited workers from Latin America countries without proper documentation.

PUBLIC SAFETY/CRIME: (continued)

CBS4 FEATURE REPORTS: DAY CARE DATABASE: 5/20, 11 PM. This report was a follow up to an earlier investigation of day care centers that have been cited by the state regulatory agency for safety violations. The report showed that as a result of the CBS4 News investigation, the state will be placing the database of the center inspections online where parents can access the information. The report also showed a tour of a facility in Miami-Dade operated by the United Way which is considered the gold standard by the state regulatory agency of how a daycare center should operate.

CBS4 FEATURE REPORTS: PERUVIAN COUNTERFEIT SCAM: 5/20, 5 PM. This report looked into the seizing by Peruvian police during the past two months of approximately \$40 million in near-perfect replicas of U.S. dollar bills in \$20, \$50 and \$100 denominations, as well as \$5 million in counterfeit Peruvian currency and smaller amounts of Venezuelan Bolívars and of Euros. The report also noted that the U.S. Secret Service estimates that Peru has become the counterfeiting capital of the Americas.

CBS4 FEATURE REPORTS: I-TEAM INVESTIGATION-GUN STOLEN FROM LUGGAGE: 6/18, 11 PM. This investigative report followed the case of a man traveling from Fort Lauderdale to Tampa who had his registered gun stolen out of his luggage and how this raised concerns of a serious security breach at one of the two airports.

CBS4 FEATURE REPORTS: AIR FRANCE & MIAMI-DADE POLICE: 6/26, 11 PM. This investigative report focused on an incident at Miami International Airport where a Miami Dade police officer on duty at the airport violated security procedures by entering and delaying an Air France airplane in the tarmac twice to bring food and a can of insect repellant – considered a hazardous substance- to a relative onboard the flight.

CBS4 HURRICANE 2009: 5/30, 7 PM, rebroadcast 6/6, 10 AM. This special broadcast focused on the upcoming hurricane season and provided important information to help South Florida residents better prepare. The special, hosted by the CBS4 Weather Team, included segments on how to interpret the “cone of accuracy,” what has been learned from past predictions and the 2008 hurricane season; impact of digital TV on hurricane communications; important hurricane information on CBS4.com; how to make a family hurricane plan; impact of Florida’s home insurance crisis; and lessons learned from Hurricane Ike.
